

Brief Biography

Prof. A. DKIOUAK

Aziz Dkiouak was born in Chefchaouen, Morocco. In 2020, he received a Ph.D. in Electronics and Telecommunications from the Faculty of Sciences at Abdelmalek Essaadi University in Tetouan, Morocco. He is currently an Assistant Professor in the Department of Physics at Chouaib Doukkali University, El Jadida, Morocco, where he teaches Electronics and Telecommunications courses.

Dr Dkiouak's research focuses primarily on printed microwave circuits, antenna design and telecommunications systems. His work involves analysing, designing and optimising microwave components for modern wireless communication applications. He has authored and co-authored several scientific papers that have been published in reputable, international, peer-reviewed journals and conference proceedings in the field of microwave communication technology. He can be contacted at email: dkiouak.aziz@ucd.ac.ma
